

New online credit card payment system

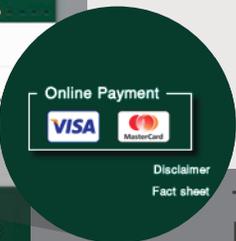

As of April 1, 2015, Morgan & Morgan implements for its customers, an online system (website) by means of which you may pay your invoices on an expedited and friendly way.

1. How the customers can access to the system?

The process has two options:

Option 1

The link to the payment site will be located in the lower part of the automatic delivery of our invoices and statement of accounts.

Option 2

The link to the payment site, will be located in the lower part of the website www.morimor.com

2. Which types of credit cards the customer may use?

Visa, MasterCard and American Express.

3. When will be effective the payment?

The payment will be effective immediately when the debit has been approved in the credit card. When it is completed the customer will receive an email with its digital receipt.

4. How secure is the system?

We actually have the highest safety standards of the industry to secure the privacy of the information online, using digital safety certificate and cryptographic protocols in the system.

5. Which devices may the customer use?

The payment may be made from a computer, tablet or mobile device.

6. What is the lifetime of the link of payment that is in the invoices and statements received by email?

The lifetime of this link will be of 15 working days from the day of receiving the invoice or the state of account by email.
